## Expanded Version of Deep Purple's Latest Album, "Now What?!", Due Later This Month

A deluxe version of **Deep Purple**'s smoking 2013 studio album, *Now What?!*, will be released on January 21. *Now What?! Gold Edition* is a two-CD set that includes two bonus tracks and an extra disc of live performances.

The bonus songs on the expanded collection are a cover of **Jerry Lee Lewis**' "It'll Be Me" and an original tune titled "First Sign of Madness" that previously was only available digitally and as a B-side of the CD single of the *Now What?!* tune "Vincent Price." The concert disc, called *The Now What?! Live Tapes*, features 12 performances from Deep Purple's summer 2013 European tour recorded during shows in Italy,

Denmark and Sweden. The CD offers a career-spanning selection of tunes, including four songs from *Now What?!* and classics such as "Strange Kind of Woman," "Perfect Strangers" and "Smoke on the Water."

*Now What?! Gold Edition* also includes a new booklet featuring notes written by frontman **Ian Gillan**.

Meanwhile, a box set version the deluxe *Now What?!* also will be available, as an exclusive Amazon release. In addition to the two aforementioned CDs, the set contains a DVD featuring a 20-minute interview with the band members, three singles from the album, a T-shirt, a poster and a collectible sticker.
